Judge Jason D. Woodard
United States Bankruptcy Judge

The Order of the Court is set forth below. The case docket reflects the date entered.

**UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF MISSISSIPPI**

**IN RE: CARDIOVASCULAR SOLUTIONS OF
MISSISSIPPI LLC**

CASE NO. 17-13759

DEBTOR

CHAPTER 7

**AGREED ORDER DEEMING THE APPOINTMENT OF PATIENT CARE
OMBUDSMAN NOT NECESSARY**

This matter upon consideration by this court, the debtor's Motion to Deem the Appointment of an Ombudsman Not Necessary [DKT. 8] and the response thereto by the United States Trustee [DKT. 16], the parties having announced an agreement before a hearing on this matter, and the court having considered the parties' agreement, hereby finds that this health care facility, once a diagnostic and treatment facility for patients suffering from symptoms of peripheral vascular disease, is no longer operating as a health care facility, and has not operated since August of 2015, upon the sworn testimony of the debtor's representative, Foluso Fakorede. Therefore, a Patient Care Ombudsman, would not be necessary in this case, as the debtor entity has not, in over two years, and presently does not, treat patients. Those provisions in the bankruptcy code, specifically 11 U.S.C. § 351, as to the disposal of patient records, is hereby acknowledged by

the debtor's representative, Mr. Fakorede, who will cooperate with the chapter 7 trustee, in ensuring compliance with this statute.

IT IS THEREFORE ORDERED that, a Patient Care Ombudsman, will not be necessary in this case, and that the debtor's representative will cooperate with the chapter 7 trustee in ensuring proper disposal of patient records, in accordance with 11 U.S.C. § 351.
